ATN NVG7

ATN NVG7

Compact and light weight (standard PVS7 is heavier and larger), rugged (metal not plastic), and a top notch performer the NVG7 is an exceptional choice for hands free usage. The NVG7 is available with a wide range of image intensifier options to meet a wide array of specification requirements. NVG7 goggles also have a build in IR for total darkness with indicator "ON" light within the FOV and flip.
